Transforming culture
in engineering education

Platinum Corporate Partner - \$30,000

Transform the engineering education culture with WEPAN's Corporate Advisory Council

One representative on WEPAN Corporate Advisory Council provides an exclusive opportunity to link your company's interests in strategic workforce development with WEPAN's ongoing work in engineering higher education.

By lending strategic insight, advice, and counsel, and by engaging other corporations in this transformative work, your company will be an essential partner in helping WEPAN accomplish its mission and financial goals.

Develop leadership strength and experience in your company's high potential professionals

Through training and participation in WEPAN's standing committee leadership learning environment, two of your company's high-potential professionals will hone their leadership, strategic planning, problem solving, public speaking, and other skills. Outcomes are a strong sense of achievement and accomplishment, greater confidence, and strengthened commitment to an inclusive engineering culture.

Build synergistic working relationships with Women in Engineering (WIE) initiatives on campuses across the United States

WEPAN provides Platinum Partners with personal introductions to leaders of campus-based women in engineering efforts and other assistance tailored to your company's needs, in addition to access to its online member directory. WEPAN members lead programs on 150 campuses that serve nearly 43,000 female engineering students. WEPAN-facilitated relationships help build strong relationships between your company and WEPAN academic members to share profiles and desired credentials of interns and new hires and make meaningful connections of mutual benefit.

Significantly raise your company profile in the broader women in engineering community

Platinum Partners have premium opportunities to increase their visibility at WEPAN's annual conference:

- Event Sponsorship:
 - Priority selection of event sponsorship
 - Announcement of your company's partnership at selected event
 - Opportunity to introduce the event speaker at selected conference event
- Pre-Meeting and Onsite Promotion:
 - Prominent logo and company name placement on conference website, in all marketing materials, and in conference program
 - Complimentary full color advertisement in conference program
 - Incentive giveaways in participant conference totes
 - Logo, company name, and partnership level recognition on WEPAN conference banner
 - Prominently placed full color poster advertisement
 - Free table top exhibit space at conference showcase
 - Up to eight complimentary, transferable annual conference registrations.
 - Discounted registration for additional employees.
- Platinum Partners enjoy heightened visibility year-round:
 - Special feature article in WEPAN newsletter OR a press release for distribute to WEPAN's stakeholders and archived on WEPAN's website
 - Prominently placed logo and link to your website on WEPAN site
 - Recognition in WEPAN Annual Report
